

ALASKA SEAPLANES

FLYING AT A HIGHER STANDARD

Position: Permanent, Pilatus PC-12 Pilot

Alaska Seaplanes is dedicated to providing the highest standard of safety and customer service in Southeast Alaska. Alaska Seaplanes Line Pilots' role is to operate flights safely and efficiently for all persons on board.

We offer top-of-market pay, plus seasonal bonus, health, dental, retirement with company match, flight benefits, and paid time off, and company-paid life insurance. Potential for cross-training in other equipment for the right candidates.

Minimum time required to apply 1,500 hours and FAR135.243(c). Alaska time, with 100 hours of time in type preferred.

Alaska Seaplanes operates Pilatus PC-12, Cessna Caravan, Cessna 206 and Dehavilland Beavers. We are based in Juneau, Alaska serving 14 communities year-round. Our flights are on scheduled and on-demand basis, single pilot both IFR and VFR.
