

Job Announcement

Position: Ramp Supervisor

Alaska Seaplanes is looking for a Ramp Supervisor to lead and coordinate the Ramp Agents daily. We provide the highest standard of safety and customer service in Southeast Alaska, and the ideal candidate will personify that aspiration.

Alaska Seaplanes' Ramp Supervisor is responsible for working in a fast-paced environment, leading the Ramp Agents and coordinating the daily activities of cargo handling, expediting, and aircraft fueling.

The Ramp Supervisor is responsible for the following:

- Leading Ramp Agents by example
- Coordinating the daily activities of the Ramp Agents
- Communicate and coordinate with Dispatch, Customer Service and Cargo departments
- Maintain ramp equipment and working areas in a safe, clean and orderly manner

Salary range is \$18-20, depending on qualifications, plus bonus opportunity.

Additionally, we offer an exceptional benefits package which includes health and dental insurance, a 401(k)-retirement plan with a generous company match, "non-rev" flight benefits on Alaska Airlines and Delta Airlines, paid time off (PTO), and company-paid life insurance.

Required

- The ability to consistently lift 60+ pounds, repeatedly
- Flexibility to work varied shifts
- The ability to lead, direct and motivate your team for peak performance
- Must have a valid and operable driver's license
- Ability to obtain airport security clearance
- Ability to adapt to changes and manage competing demands
- Must have good attendance and punctuality record
- Ability to fluently communicate in English
- Authorization to work in the United States

Preferred

- Previous management or leadership experience
- Knowledge of cargo or airline operations
